One Stop Wedding Shopping
in Southern Maine

Located along the beach in southern Maine, Saco is quickly becoming a “one-stop-shopping” spot for discerning couples wanting to create a memorable Maine wedding experience. Working independently and as a collection of wedding professionals, Saco’s downtown merchant group offers everything you will need to plan your destination wedding, including full service catering with Blue Elephant Events and Catering, elegant floral arrangements with Artistry in Bloom, and classic men’s and women’s apparel from the Simply You boutiques and Alpie’s Men’s Store. Complete your wedding checklist with wedding portraits from fotografix studios, guest (and honeymoon!) travel arrangements from TravelWise Cruises and Tours, and stop in and see the selection of gourmet candies, chocolates and custom favors at The Candy Garden, and pastries and custom wedding cakes at Pepperell Sweets Boutique. Illusions Salon and Day Spa offers a full range of services for your entire wedding party. The exquisite perennial gardens at Highlander’s Garden make the perfect ceremony site. These businesses all work

together to assist you in creating your memorable event in some of southern Maine’s most exciting locations.

Saco is a charming and historic town, offering a variety of vacation activities for the whole family. Spend the day on our beautiful beaches, visit one of three water and amusement parks, or see the latest IMAX blockbuster. Visit one of our five local lighthouses, or spend the day fishing, canoeing or ocean kayaking; or sailing along the lovely Saco Bay. Nature lovers will want to experience the sights, smells and sounds of the many trails and paths for bicycling, hiking, and cross country skiing. Spend an afternoon and learn about local history at the Saco Museum and the Dyer Library.
